Sir

In continuation of my letter No M3 C 411/29-30 dated 23-8-29, requesting that the contribution to be paid by the Sumsi minor Municipality towards the maintenance charges for the statem Fund roads lying within the Municipal limits may be waived, I have the honour to submit herewith the resolutions of the marginally noted Municipal councils together with the presidents, reports praying for a similar concession

1 Shimoga
2 Sagar
3 Tirthahalli
4 Shikarpur
5 Shiralkoppa
6 [illegible]

The Shimoga, Sagar and Thirthahalli Municipal Councils propose that if this is not possible, the upkeep of these roads may be entrusted to them and the usual mileage grants transferred to their funds, as the above said contributions far exceed the usual mileage grants The Thirthahalli Municipal council further add that the Shimoga Bangalore road which is the only State Fund road passing through the Municipal limits is not kept in good condition

In this Malnad District, where the population is comparatively thin and the people are backward, there is not much hope that they would realise the advantages of civic life and fully bear the burden of managing their own affairs For the same reason, the incomes of these Municipalities are very low The various compulsory

compulsory contributions by the Councils towards the other departments, drain away a major portion of their incmes leaving a very small balance for the local improvements Besides the state fund roads are mostly used for through traffic, Municipal traffic thereon being negligible As reported in the letter under advertance, I beg to bring to the notice of Government that such heavy contributions, if made compulsory, may even lead to the extinction of those Municipal bodies

In view of these facts, all the Municipalities of this District deserve special treatment at least for some years to come in the matter of the encouragement to be given by Government to them I therefore, propose that all the Municipalities in the District may be exempted from the payment of the contributions in question for the years 28-29 and 29-30

Office of the President Town Municipali

Dated, Sagar the 25th August 1929

From

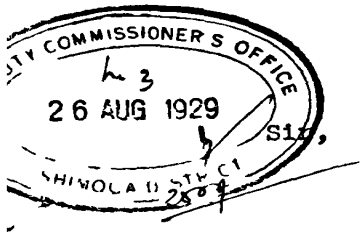
President, Town Municipal Council, Sagar

To

B T Kesavaiengar Esq, B A ,
Deputy Commissioner, Shimoga District



Sir,

I enclose herewith a resolution of the Municipal Council, Sagar dated the 16th instant re the payment of R$ 1594/ towards the upkeep of ~~2 1/2~~ 2 1/8 miles of State Fund Road running within the limits of Sagar Town, as per letter of the Executive Engineer Shimoga The amount represents the contribution for the years 1928-29 and 1929-30 and works out @ R$ 375/, per mile per annum, while the Government milege grant for the road is R$ 250/- Whether this is a fair proportion or a proper charge on the Municipal Funds, as to be considered, particularly since the through traffic passing on this road is far in excess of the purely Town traffic The Municipality have again and again pleaded their inability to bear such a heavy and recurring burden in view of their slender resources and commitments They have been paying heavy contributions towards the upkeep of the Male and Female Dispensaries, Veterinery Dispensary, Primary Education and are also shouldering a hevy responsibility in having started a Municipal High School last year They have readily and willingly paid all these contributions But in the present instance they feel that being a Malnad Municipality

they are entitled to prefernential treatment, particularly as the contribution demanded is heavy and would not be a fair charge on the Municipal Funds They therefore request that the Govt may be pleased to waive the contribution in entirety

I have the honour to be,
